

You asked where I was. am now
at Home but Have just returned from
Chicago; will be at Home now for
a while. I had a nice time in Chicago
on the 4th of July, Hope you enjoyed
your self on the 4th.

Dear one you will have to tell
me what those letters mean
at the end of your letter as
they are to much for me I can
not make them out,
you say crops are burned up there
they are the same way here for
want of rain, & plugging of ^{the} trunks,
I have relations there by the
name of Cooper,
Love love it seems to me if you
